

## Rain Barrel Contest

Theme of “Celebrating the 60s” to help Darke SWCD celebrate 60 years putting conservation practices on the ground in Darke County. Kids seemed to have fun with theme, some great and colorful barrels were returned. Each school receives the rain barrel back in November to use as an educational tool or fundraiser for their program. Appreciate our schools participating.

### **1<sup>st</sup> place – Ansonia FFA**

### **2<sup>nd</sup> place – Versailles Art**

### **3<sup>rd</sup> place – Greenville FFA**

Thank the teachers for incorporating this contest in their classroom, helps to promote use of rain barrels as a way to conserve water and reduce storm water runoff.
